Dear Parents/Guardians:

We are delighted to extend a warm welcome to you and your child to The Learning Garden. As the Director, I am thrilled to be part of this journey with your family and look forward to providing a nurturing and enriching environment for your child's growth and development.

At The Learning Garden, we believe that every child is unique and deserves the best care and attention. Our dedicated team of caregivers and educators are passionate about creating a safe, engaging, and supportive atmosphere where each child can flourish.

We foster a love for learning and exploration in young minds, promote social and emotional development, and lay the foundation for a lifelong pursuit of knowledge. We are committed to providing a stimulating Christian learning environment that encourages curiosity, creativity, and individuality.

Frog Street Curriculum is a leading provider of extensive early childhood education solutions that incorporate joyful, comprehensive, and evidence-backed solutions for child care centers, with a focus on birth to age 5. Their curriculum programs are based on early brain research and provide intentional age-appropriate instruction.

Your child's safety is our top priority. We maintain a secure and hygienic environment, adhering to the highest health and safety standards. Our staff members are well trained in emergency procedures, and we have measures in place to ensure your child's well-being throughout their time at our center.

We believe that a strong partnership with parents and guardians is essential for a child's overall development. We encourage open communication and value your feedback. We have regular parent-teacher meetings, progress reports, and various events where you can actively participate and engage with your child's learning journey.

Our daily schedules incorporate a balanced mix of educational activities, playtime, meals, and rest. While routines are essential for young children, we also maintain the flexibility to accommodate each child's individual needs and preferences.

Please feel free to reach out to us if you have any questions, concerns, or specific requirements for your child. We are here to support you and ensure that your child's time at The Learning Garden is filled with joy and growth.

Once again, welcome to our family at The Learning Garden. We are thrilled to embark on this wonderful journey with you and your child.

Sincerely,
Tracie Fielding
The Learning Garden Director
